

THE GREAT ADVENTURE CHALLENGE

RACING FOR SMILES

STARLIGHT MORNING TEA DATES

Be our guest and see first hand how you are making a difference to seriously ill children...

All teams participating in the 2011 Great Adventure Challenge are invited to attend a Starlight Morning Tea in a Starlight Express Room.

Starlight is hosting three Morning Teas between now and the Great Adventure Challenge event day in October to allow Teams to see first hand the difference your fundraising efforts make to Starlight programs - including Starlight Express Rooms. Teams will also have the opportunity to meet Captain Starlight and the Starlight team.

Starlight's innovative programs are designed to be an integral part of health care - Starlight Express Rooms create a place where kids can just be kids and escape the loneliness, boredom and stress of hospital life, as well as provide support to their parents and siblings.
